# REOPENING PLAN

---

FALL 2020

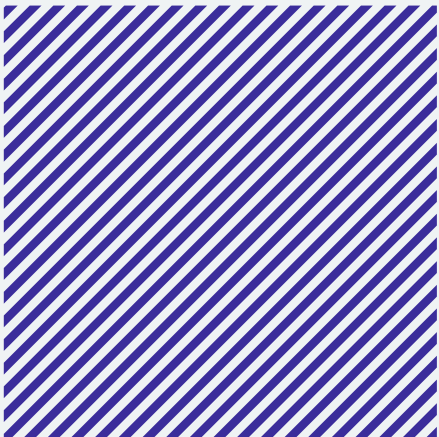

# Timing for reopening

## PHASING

---

Our top-rated classical education model is centered on the teacher-student interaction, and our goal is to reopen in two phases. Phase 1 will be the preparation phase completed by 15 July 2020. This phase includes additional cleaning of the facilities, procurement of additional cleaning supplies & training for our faculty. Phase 2 begins 15 July as we monitor the health and well being of our scholars, staff, and surrounding community.

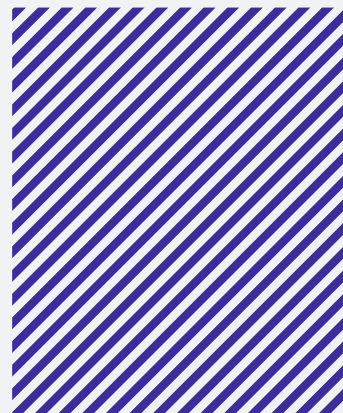

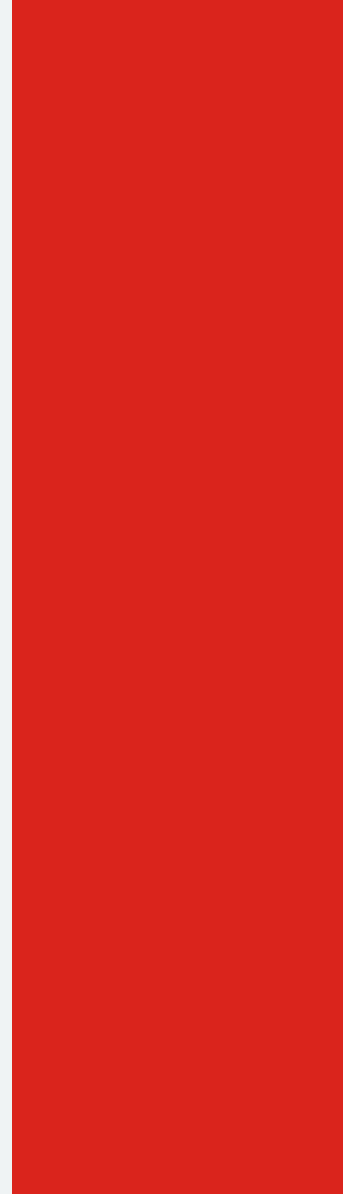

# Safety Precautions

## KEEPING SCHOLARS HEALTHY

---

Scholars & Staff should stay home if they are sick or symptomatic. Health screenings will be conducted by staff during class periods as well as ongoing wellness monitoring throughout the day. Frequent hand washing will be encouraged. Masks are allowed but not required. We will maintain our small classroom sizes and physically distance students as feasible. We will limit sharing of materials in classrooms.

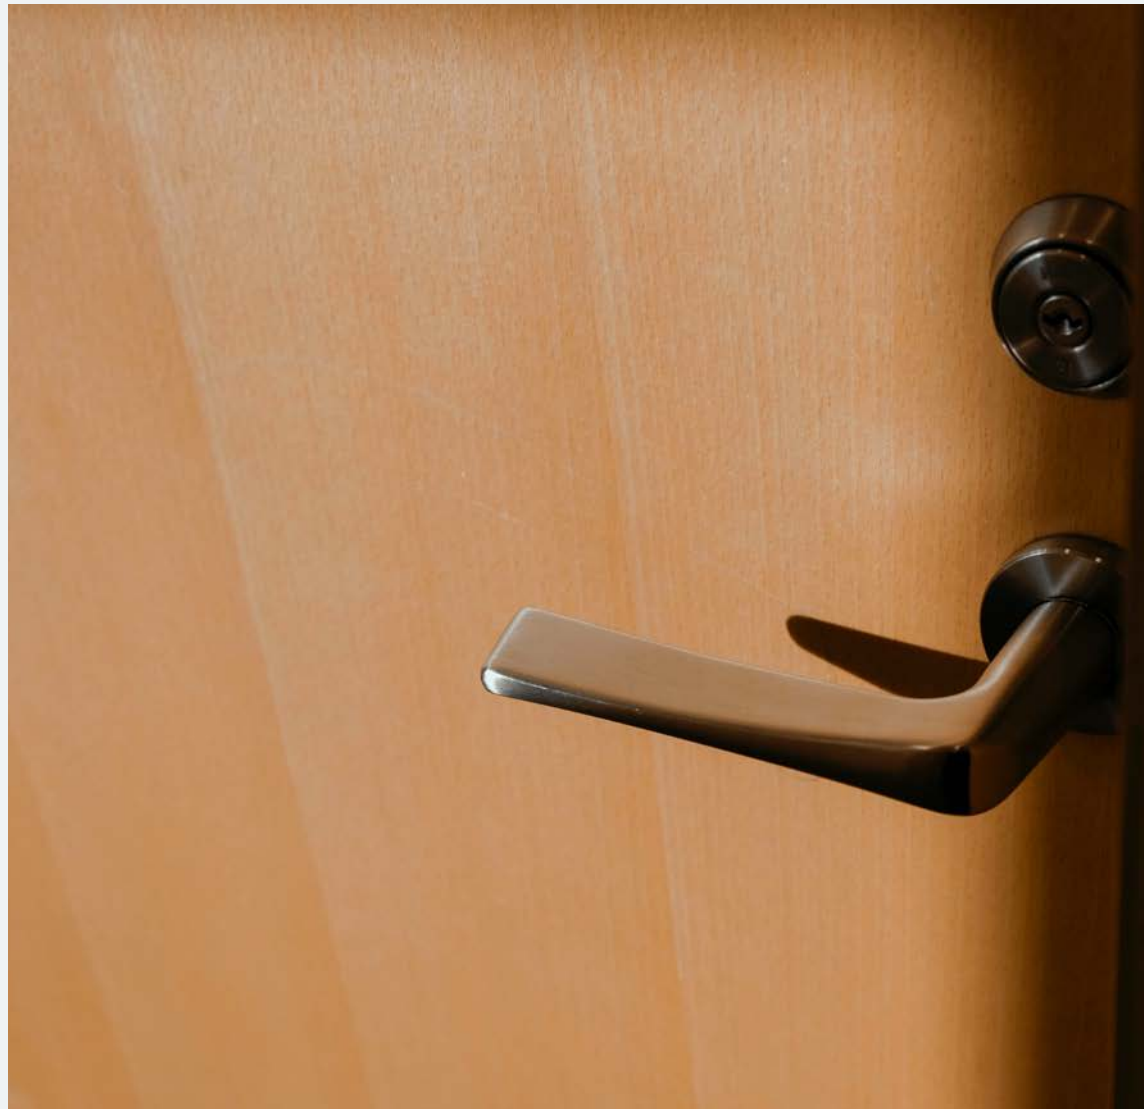

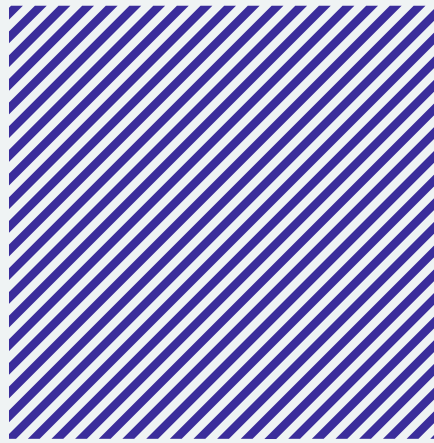

# Increased Cleaning Procedures

## IMPROVING CAMPUS CLEANLINESS

---

Cleaning materials will be provided in classrooms for scholars to wipe down surfaces at the beginning of each class. Teachers will be in charge of disinfecting doors & door handles between classes. Maintenance personnel will perform enhanced campus cleaning each night.

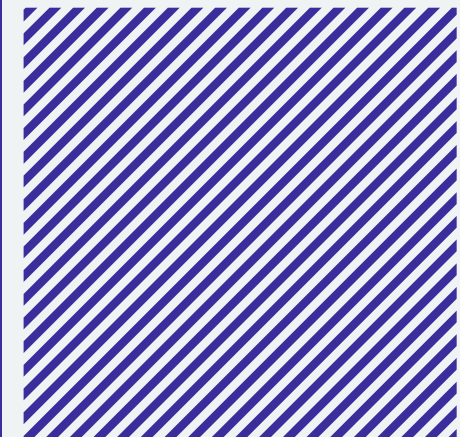

# Close Contact Classes

---

## ATHLETICS AND CLASSES

Close-contact classes will be phased in with safety precautions (listed above) in place. Additionally, hand washing will be required before and after class. Equipment will be disinfected between uses.

# Frequently Asked Questions

## CITIZENSHIP

Is my child's citizenship grade affected if they are absent?

Citizenship points will no longer be tied to attendance. They will continue to reflect scholars' arriving to class on time, preparedness for class, and appropriate behavior in class.

## ATTENDANCE

Are perfect attendance awards still in effect?

We are temporarily suspending the "Perfect Attendance Award".

## LATE WORK

Will late work be accepted?

Late work (from excused absences only) will be accepted for full credit according to each teacher's policy as outlined in their syllabus.

# Frequently Asked Questions

## ABSENCE

How will my children learn if they are out sick?

---

All assignments will be posted to each teacher's Google Classroom.

## ABSENCE

What if my child needs help when they are home sick?

---

Teachers will publish virtual office hours when they are available to help

## SCREENINGS

What health screenings will be conducted?

---

Teachers will survey students at the beginning of class to check wellness. Staff will have access to digital thermometers to check temperatures as needed. Staff will visually assess the health of students in relation to COVID symptoms. Parents should conduct a health check at home prior to sending student to school.

## STAYING HOME

When is it okay to keep my child home from school?

---

Please keep your scholar home if they have a fever, are vomiting, or exhibit COVID or flu-like symptoms. Work with your doctor on a return-to-school schedule. If your child tests positive for COVID-19, please let the front office know.
