

Summer School Courses 2024

Heritage Academy in-person summer courses are only offered for junior high school students in grades 6th to 8th. High school students (grades 9-12) may take a summer school class offered through Heritage Edgenuity or through a university. **Because of the varied quality of such courses, approval must be obtained from Heritage before registering for such courses if not using Edgenuity.** A proficiency test may be administered before credit is granted. A link is attached below to sign up for classes. If you have any questions email: alethea.alle@heritageacademymariopa.com

Junior high summer school courses at Heritage are as follows:

<u>Courses:</u>	<u>Time:</u>	<u>Instructors:</u>

*Students attending both may stay at the school for a 30-minute lunch period supervised by a teacher. Lunch will not be provided and there will be no option to purchase lunch or snacks through the school.

Where: Heritage Academy Maricopa Campus

When: Summer school begins June 3rd and ends June 20th. Classes are held Monday through Thursday for three weeks.

Please note that these classes are held for two purposes:

1. To strengthen elementary skills to prepare for junior high classes at Heritage Academy, and
2. To show the administration at Heritage Academy that the student is serious about doing the work assigned. Heritage Academy is a homework school. If a student shows that he or she will not complete assigned work in summer school, he or she will probably not be successful at Heritage Academy and may be required to repeat the grade next year.

Edgenuity information for high school credit recovery:

Scholars may recover up to two semesters of credit over the summer through Edgenuity. This can be a full year of one course or one semester of two different courses. There will be two, two-week sessions offered. Each session offers a semester of credit recovery. Scholars may only take Edgenuity for credit recovery and not to get ahead to graduate early.

- Session 1: Monday, June 3rd to Thursday, June 13th
- Session 2: Monday, June 17th to Thursday, June 27th

The cost of each of these sessions is \$150.00 each.

These courses can be completed at the scholar's own pace. However, it is highly recommended that the scholars sit down to complete them Monday to Friday from 8:00 to 3:00. Scholars must pass each session completely by the end of the two weeks and absolutely no extensions will be granted for scholars who do not complete the course in this time. Refunds will not be given for courses that scholars do not complete.
